

## THE GUIDE TO DESTINATION DINING IN WAPPINGER

### *A Message In Regards To The COVID-19 Pandemic*

Dear Friends,

To support our local restaurants we all love, we have prepared this Wappinger restaurant guide. We encourage you to consider a few simple things during the Covid19 pandemic. These will truly help them during their greatest time of need:

- ◆ Since the Governor has ordered the closure of all restaurants, theatres, and bars; **please call to see** if they offer take out, curbside pick up, or home delivery. Order take-out or delivery. It gives the restaurant business and keeps you well fed. Many restaurants that don't usually offer these options are making exceptions.
- ◆ Book for a future date—in May or June, it will give everyone something to look forward to.
- ◆ Consider purchasing restaurant gift cards if they're offered. They will be able to use the cash infusion NOW.
- ◆ Tip delivery staff generously if you can afford it. Tipped workers are some of the first to suffer in times of economic distress.
- ◆ Visit during your lunchtime.
- ◆ Acknowledge your take out or delivery on social media and sing their praises for good food and service.

Thank you again for supporting our local businesses,

Richard L. Thurston

Wappinger Town Supervisor
