

### **HOMETOWN HEROES BANNERS**

You've seen these all over the country! They're in every state.

The Town of Wappinger proudly offers your very own Heroes Banner for your favorite veteran.

The Banners will be displayed from April to November, on local utility poles within the town. You can order single or double side banners, at the same price, displayed with veteran's name, branch, time of service, and donor. If the veteran paid the ultimate sacrifice, we are planning a star under the photo. The banner size will be 30" by 60". A valid DD-214 and veteran's photo are required.

Cost is \$200 complete, and after the orders are placed, remaining funds will be used toward local veteran issues.

Order forms are on the town Facebook page as well as the town webpage. For more information, contact Deputy Town Supervisor, Kevin Hathorn at 845-264-5159.
