Town of Wappinger

Dear Ms. Wojciekofsky:

The plans last received on May 6, 2021 for the above-referenced project have been determined to meet the appropriate and applied design standards for sewage disposal and water supply facilities.

Please be advised that this project cannot receive official Dutchess County Department of Health Approval until this office has received the following:

1. Documentation from the Town of Wappinger indicating acceptance of the proposed project as well as a SEQR determination.

Upon this department's receipt of such documentation, plans may be submitted for approval. A minimum two copies with all seals and signatures are required.

If you have any questions regarding this correspondence, do not hesitate to call me at (845) 486-3404.

Yours very truly,

Daniel J. Keeler, P.E.
