Re: Lot 1 - Filed map 9132
Tax Id # 135689-6156-02-869803
Cooper Road
Town of Wappinger

Mr. Keeler:

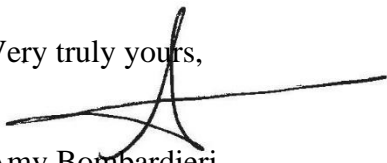

Please find the following enclosed:

- One (1) copy of the OWTS design plans
- One (1) copy of the Engineers Report for OWTS and Water Supply Design.
- One (1) application fee check for \$595.00.

The applicant is seeking DCHD approval for lot #1 of filed map 9132. This office has detailed the updated design based upon soils testing performed by this office in a different part of the lot. This proposed septic is in an alternate location to provide separation to the public water supply well on an adjacent parcel. In order to move the sewage disposal system location, a lot line realignment is necessary. The project has been submitted to the Town of Wappinger Planning Board and has been through 1 planning review and deemed a Type II SEQR designation. This design is being submitted to the Town under separate cover.

Please feel free to contact me if you require any further information on this matter.

Very truly yours,

Amy Bombardieri
