

The Town of Wappinger is seeking qualified candidates to become a member of The Board of Assessment Review. The Board of Assessment Review is a five member board that holds one public hearing per year on Grievance Day. This meeting is usually held on the fourth Thursday of May. The board will then hold several subsequent private meetings, usually 2 to 3, to discuss and make determinations on The Grievance Applications. The typical time commitment is 20 hours per year. Each member receives a yearly payment of \$300 for their service. All members must be Town of Wappinger residents.

Ideal applicants should:

- Be able to fairly and tactfully hear Grievance Cases and make decisions
- Having knowledge of the local Real Estate Market is optimal
- Possess a calm demeanor and good listening skills

If you are looking to serve your local community this is a very interesting way to do it without a large time commitment. If you have any interest in serving on this board please contact The Assessor's Office for more information.
