Attn: Frank Malawski- Senior Project Manager  
Downers Grove, Illinois 60515

Dear Mr. Malawski:

The Village of Wappingers Falls, New York, Water board met on July 11, 2002. As requested, The Board voted to approve an RPZ Backflow Preventer for the Jiffy Lube project located at 1506 US Route 9, Wappingers Falls, NY 12590. The Village of Wappingers Falls requests an initial certification of the device and a yearly inspection report sent to us at the above address. Please be advised that the next Village of Wappingers Falls Waterboard meeting will be held on August 8, 2022, at 3:00 p.m. Should you have any questions please do not hesitate to contact me.

Sincerely,

Village of Wappingers Falls Utility Department
