Town of Wappinger, Dutchess County, New York

Dear Mr. Keeler:

Attached are one (1) set of plans, one (1) Engineer's Report, one (1) short EAF, a \$2,975 check from Hudson Land Design (Check #1989) for application fee, and a CD with all submitted documents for the above referenced project. This project involves a five-lot subdivision creating four new building lots that requires construction of a new sewage disposal systems (SDS) and drinking water wells for the proposed single-family residences. Lot 1 will comprise of the existing home, which requires design of a reserve septic system.

On behalf of the applicant, we request that your Department review the above materials in consideration of approval for the arrangements of sewage disposal and water supply. Should you have any questions, please feel free to call my direct line at 845-765-8988.

Sincerely,

Eric S. Rogge, P.E.  
Senior Engineer
