JUSTIN DRISCOLL
Interim President and Chief
Executive Officer

To Whom It May Concern:

The New York Power Authority has spoken to Mr. Timothy Kimmel, of Kimmel Builders, regarding his lot division project. He is aware, that if needed and when appropriate, he must apply for the required permits with the New York Power Authority.

Mr. Kimmel has been in contact with us throughout the development of this project and has agreed that if a permit is required, he will apply for said permit.

If you would like to contact me or have any questions, my information is below:
