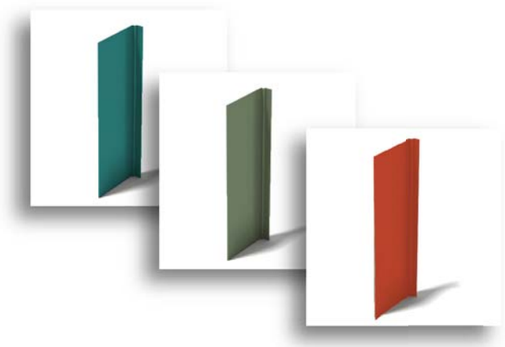
KS Series

WALL PANEL SYSTEMS

KS Series insulated metal wall panels provide unique aesthetics through a wide range of profiles while delivering supreme thermal performance. Adjustable module widths can integrate for distinct architectural flair. KS Series panels can be customized with trimless ends and pre-formed corners to provide a clean, finished appearance.

9"D Lyrical Articulated Design Element



Woodland Series

HORIZONTAL LAP SIDING
EMBOSSED WALNUT

Rigid Wall II

Rigid Wall II profiles are available in widths of 8", 12", or 16" . The panels are 15/16" deep and provide dramatic shadow lines with their 1⅝" wide ribs. The panels utilize the Wind-Lok™ concealed fastening system and offer uninterrupted vertical or horizontal sight lines.

16"w panel - MFN162
