MEMORANDUM

<i>To:</i>	Bruce M. Flower, Chairman And the Town of Wappinger Planning Board	<i>Date:</i>	6/29/2023
<i>From:</i>	Malcolm M. Simpson	<i>Project:</i>	Torregrossa Subdivision
<i>cc:</i>	James Horan, Barbara Roberti, Bea Ogunti, Jon Bodendorf, Edward Torregrossa		
<i>Subject:</i>	Torregrossa Subdivision Plan Review Tax Lot 6257-02-986805		

As requested, we reviewed the application made by Edward Torregrossa, (the “Applicant”) for Subdivision Approval.

The Property

The subject property is an existing 5.67 acre lot, known as Tax Lot 6257-02-986805 on the Town of Wappinger Tax Assessment Maps, and would be subdivided as to create 2 additional lots for a total of 3 lots accessed at 271 All Angels Hill Road in the Single Family Residential (R-40) zoning district (the “Subject Property” or “Site”).

The Proposal

The Applicant is proposing to subdivide one existing lot with a total of 5.67 acres into 3 lots, one with the existing residence and 2 building lots in the Single Family Residential (R-40) zoning district. The two building lots will share a driveway that would connect to All Angels Hill Road. The Subdivision would feature on-site wastewater management facilities on each lot in the form of in ground septic fields and connect to Town water (the “Project” or “Proposed Action”).

Submission

The Applicant has submitted for review an Application for Preliminary Subdivision Approval dated 12/19/22; a Short Environmental Assessment Form dated 11/30/22; a comment response memo dated 6/7/23; and a subdivision plat (7 pages) prepared by Day and Stokosa dated 11/22/22 last revised 5/7/23:

REVIEW COMMENTS

1. Shared Driveway. The Application had originally been designed with a shared driveway; however, this element of the design has been removed and instead the Project features two separate driveways.
2. Sight Distance. We defer to the Town Superintendent of Highways and the Town Engineer in regards to the proposed sight distance plans.
3. Environmental.
 - a. The comment response memo indicates that the Applicant is working with the NYSDEC to determine the appropriate mitigation measures and that these correspondences will be forwarded to the Town. However, we have no additional details on this matter at this time. The Applicant should address this issue with the Board.
4. SEQRA. The Proposed Action is an Unlisted Action with respect to SEQRA. The Planning Board circulated their intent to serve as Lead Agency on January 24, 2023. As 30 days have passed with no objection received from the involved agencies, the Planning Board has assumed the role of Lead Agency. The next steps in the SEQRA process would be for the Planning Board to consider a determination of significance.
