Dear Mr. Rogge:

The plans last received on June 19, 2023, for the above-referenced project have been determined to meet the appropriate and applied design standards for sewage disposal and water supply facilities.

Please be advised that this project cannot receive official Dutchess County Department of Health Approval until this office has received the following:

1. Documentation from the Town of Wappinger indicating preliminary planning board approval has been granted for the project. Please also provide the Town's SEQR determination.

Upon this department's receipt of such documentation, plans may be submitted for approval. A minimum one mylar and two copies with all seals and signatures are required.

If you have any questions regarding this correspondence, do not hesitate to call me at (845) 486-3458.

Yours very truly,
