RE: Verizon Wireless "Spook Hill Park" Communications Facility
ROW adjacent to 15 Nancy Aleen Drive

Dear Ms. Roberti:

Enclosed please find eighteen (18) copies of Verizon Wireless' revised site plans for the above referenced site, which depict two (2) new potential alternative locations for the proposed utility pole. Please note that the specific alternative location discussed at the prior Planning Board meeting is not available due to the existence of current utility infrastructure at such location. Because of this, Verizon Wireless has identified two (2) alternative locations in the general vicinity of the area discussed during the last meeting (i.e., Location #3 and Location #4).

We look forward to discussing this at the Planning Board's November 6, 2023 meeting.

Very truly yours,
YOUNG SOMMER, LLC
