Re: DC Sports- Ropes / Aerial Course:
1630 Route 9
Wappingers Falls, NY

Dear Bea:

This letter is a response to the Planning Board meeting of 3-4-24. At the conclusion of the meeting, it was requested that we add these two items to the site plan, which we did, and the revised site Plan, SP-1, dated 3-5-24 is attached.

- A note was added to the site plan that the existing LED pole lights will be adjusted/angled downward toward the grade.
- A note and detail are shown on the site plan of the padded artificial turf that will be installed below the Ropes/Aerial course.

We hope this answers the two remaining comments from the 3-4-24 meeting.

Should you have any questions please do not hesitate to call us.

Sincerely yours,
Raymond VanVoorhis AIA
