HIGHWAY DEPARTMENT

March 31, 2025

Re: Conservation Corners

Members of the Planning Board,

Following a detailed review of the plans for Conservation Corners, the Town of Wappinger Highway Department does not have the resources to take responsibility for any potential easements or roadways associated with this application.

It is the request of this department to ensure that this infrastructure remains private and is never accepted by the Town of Wappinger.

Respectfully submitted,

Michael Sheehan, Highway Superintendent
