Town of Wappinger

Dear Ms. Ogunti:

The following is in response to your submission to this office consisting of SEQR information for the above project.

1. This Department has no objection to the Town Planning Board serving as the lead agent for SEQR.
2. As long as no modifications are proposed to the water and wastewater systems, no increase in water usage is proposed, and all separations from the water/sewer components to the proposed stormwater structures are met, no approval from our office is required for this project.

Should you find that we can be of assistance, please contact us at 486-3404.

Very truly yours,
