Captain Kidd's Scavenger Hunt

Rules & Regulations

Our Town Supervisor found a treasure box during a hike along our riverfront park, Carnwath Farms! After some digging in the dirt, he was able to uncover it and that's when he realized... the box belonged to the legend himself, Captain Kidd! The treasure chest was full of special and cherished items to Captain Kidd, but one thing found was a note. That note seemly had a clue that leads adventurers across town, one clue after another, to ultimately find his true hidden treasure! What could possibly be in that box?....
