- The name and address of the owner of record of the property.
- The name, address and professional seal of the individual preparing the site plan.
- The names of all owners of record of adjacent properties.
- The accurate location of the boundaries of the applicant's property, any existing lot lines, streets, and easements or other reservations located within it.

Town of Wappinger
Site Plan & Regular Special Permit Checklist

- The location of all existing buildings, structures, and other man-made features of the site, as well as those on adjacent properties within one hundred (100) feet of the property boundary including existing utility lines.
- The proposed location, use, design of all buildings and structures.
- A tabular analysis of the proposed use of all floor space clearly indicating the proposed type of use by building, floor level, and the proposed division of buildings into units of separate occupancy.
- The location and design of all driveways, parking, and loading areas including improvements to adjoining streets designed to facilitate the face and convenient flow of traffic to and from the site.
- The location and design of the proposed water supply, sewage disposal, stormwater drainage systems, including the relationship of these t related off site facilities, services, and systems along with an analysis of the impact of the proposed site's development upon them.
- The location and design of all other proposed improvements including signs, exterior lighting, recreational facilities, fences, walls, refuse enclosures, buffer screening, and landscaping.
- The proposed nature and location of any uses which will not be located within buildings or structures including outdoor storage and display areas, if any.
- Existing and proposed contours with vertical intervals of not more than two (2) feet unless waived by the Planning Board, extending at least fifty (50) feet beyond the site boundaries and referenced to USGS or other proved bench mark.
- The nature and location of all other existing site features, including water bodies, water courses, wooded areas, rock outcrops, and single trees with a diameter at breast height (dbh) of twelve (12) or more inches. The plan shall clearly indicate which site features are to be retained and which will be removed.
- Appropriate plans for the protection of the site's environment during the course of construction, including erosion control, protection of existing vegetation, noise control, limits of hours of operation, access route for construction vehicles and other similar measures as may be appropriate in each individual case.
- Any other pertinent information as may be determined necessary or appropriate by the Planning Board or the Zoning Administrator to provide for the proper enforcement of this Ordinance.

In addition, the following items of information shall also accompany any site development plan application:

- The proposed wording of any covenants, deed restriction or association agreement which are intended to apply to all or any part of the subject property.
- Plans and elevations of all proposed buildings, structures, and accessory structures, including proposed signs.
- Where the applicant proposed to develop the project in stages, a staging plan shall be submitted for approval along with the ultimate development plan for the entire parcel.

18 Application shall consist of (number of plans to be determined by the Zoning Administrator) copies of the applicant's proposed site development plan, drawn at as large a scale as is convenient practical and reasonably possible showing the proceeding items of information.

Also including on the plan (or a separate sheet) an area map, at a scale convenient for Planning Board use, showing the applicant's entire property as well as all adjacent properties, existing and proposed roads, railroads, streams, right-of-way, and easements in all directions from the subject parcel, all community facility and utility trunk lines in the neighboring area, and all existing school, zoning and special district boundaries within five-hundred (500) feet of the applicants property.

Application fees: Please refer to current fee schedule.

EAF: Long or Short must be signed.

Maps: MUST BE FOLDED or will be rejected.
